

Installation Guide

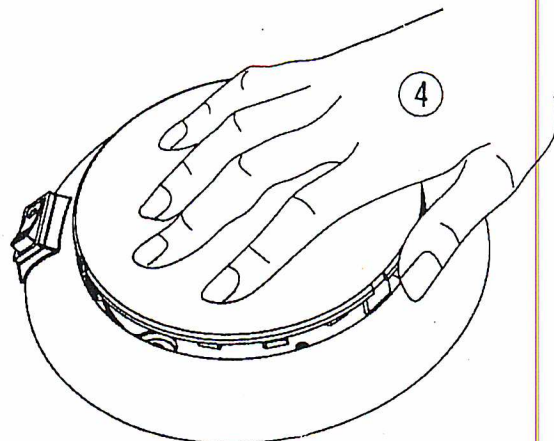

- 1, Use a slotted screwdriver, gently insert its head into any of 3 Slots on the Lens and pry it to take off the Lens.

- 2, Install the Base by fastening 3 screws in place.

- 3, Replace the Lens by holding 3 Snap Hooks orientated towards 3 Locking Catches.

- 4, Hold the Lens firmly against the Base so 3 Snap Hooks align with 3 Locking Catches; push down the Lens until 3 Snap Hooks are firmly snapped into 3 Locking Catches respectively.

LIMITED WARRANTY (USA ONLY)

This Aqua Signal Corporation product is warranted for one year against defects in material and workmanship. Any Aqua Signal product developing such defect within this period will be repaired or replaced at our option providing it is sent to us, transportation charges prepaid, along with \$5.00 to cover the cost of handling. (This is not a repair charge.) No additional charge will be made unless the warranty period has expired or servicing is made necessary for reasons beyond our control, in which case a moderate charge will be made.

This Limited Warranty does not cover damage to this product through accident or misuse, nor does it cover any incidental expense to the user resulting from a non-function or mal-function of this product. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

This warranty gives you specific legal rights. You may also have other rights which vary from state to state. This Limited Warranty notice replaces any other warranty or guarantee information accompanying this product.
